2011 - 2012 School Year Tuition and Fees

The school reserves the right to increase fees on certain spaces in 2012, if needed.

Tuition Rates

Annual Enrollment Application Fee: \$40.00. Submit this fee with the pre-enrollment form for your child to reserve a space and begin enrollment processing. It does not count toward tuition and does not guarantee an immediate space for your child. This fee is non-refundable. Priority in filling spaces is given to 5-day enrollments in both the half-day preschool and all-day programs. Consistency of program and establishing friends make the 5-day programs better for most children.

Fall (October 5)
\$50.00

Spring (April 5)
\$50.00

The tuition for the academic year (September through May) is figured on a total school year cost and then divided into 9 equal payments. The holidays, Christmas Break, and teacher in-service days have already been taken into consideration. We will close when public schools close for safety reasons due to inclement weather as announced on 1320 AM and 105.9 FM. **There are no deductions for classes missed, since our cost remains the same.**

Tuition payments are due on the first of the month. A late fee of \$15.00 is added if tuition is not paid by the 10th of the month. A \$30.00 fee will be added when a check is returned due to insufficient funds.
